DESCRIPTION

The proposal would provide that parents of an emancipated minor would not be liable for damages committed by the minor. "Emancipated minor" would be defined as a person seventeen years of age who voluntarily leaves the care, custody, and control of such person's parents, with or without the consent of the parents, for more than thirty days.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. This legislation would not affect Total State Revenue.
